

2014 Outstanding Vermont Tree Farmer of the Year Tour

On September 13, 2014, Alan Calfee and TTM Associates hosted a tour of the 2014 Outstanding Tree Farm of the Year. Their 619-acre Tree Farm is in the towns of Rupert and Dorset in the beautiful Mettowee Valley of southern Vermont. Nearly 50 people showed up to celebrate and network with others on a sunny but brisk fall morning. Great food was provided by the Williams Deli in Dorset.

One of four optional tours offered that day. This tour focused on Mettowee River, fish habitats, riparian zones, and management.
