

**2017 Vermont Outstanding Tree Farm Tour**  
**[\(PHOTO ALBUM\)](#)**

Thank you to all the community members, family members, and VWA members and friends who made the 2017 Vermont Outstanding Tree Farm Tour a success. We had three well-attended and informative tours of 361-acre Stoner Family Tree Farm (Tree Farm #1591). The Stoners purchased the land in 1983 and are committed to making a difference through their stewardship. The Stoners have worked over the last 30 years to keep their land important to three generations of their family.

We are very thankful for our local farms and sponsors who generously provided food for the event:
